## STEP 2. QUANTITY (up to 3 the quantities that you would like prices on).

Quantity dictates the most appropriate choice of print process (digital or offset) and is the most influential factor on cost.

1. \_\_\_\_\_  
2. \_\_\_\_\_  
3. \_\_\_\_\_

## STEP 3. No of COLOURS

Number of colours also has a significant influence on cost. If you are not familiar with the print process and PMS colours vs. four colour work, please discuss with us before requesting a quote (Also, black is considered a colour)

- 1 PMS colour  2 PMS colours  
 3 PMS colours  Full colour process  
 To be discussed  
 Other: eg Metallic colours

## STEP 4. STOCK (paper)

The choice of paper is important and there is much to choose from. If chosen well, paper can create an impression (ie. your product/service is environmentally friendly, prestigious, professional or cost effective) If you are not sure, we are happy to advise, just indicate your need below.

### What 'feel' do you want your printed product to have?
